## EXECUTIVE DEVELOPMENT PROGRAM

17 December 1986

Mr. Thomas K. Latimer, Staff Director  
Permanent Select Committee on Intelligence  
House of Representatives

Dear Tom:

I wanted to add a few written words of thanks to those I expressed verbally to you on 3 December following your presentation to the Advanced Intelligence Seminar on the role of the HPSCI. It was an excellent briefing and helped the class to become more knowledgeable regarding the sometimes confusing world of Congressional oversight. You received very high marks from class members in their evaluations of the several speakers who addressed the Seminar.

Personally, it was a pleasure to see you again. I really appreciated your willingness to find time to meet with the class in a period when you must have been very busy. I hope we can count on you to meet occasionally with similar groups in the future. A lot of present members of the Senior Intelligence Service have, on their way up, passed through the Advanced Intelligence Seminar and we never know when a member(s) of a new class is destined for high office in the Agency. Again, thank you for your willingness to participate in the education of our present managers and possible future executives.

With best personal regards and seasons greetings.

Sincerely,

Executive Development Staff  
Office of Training and Education
